7] **Village Hall**

Coun. Mrs Elston reported on a successful Christmas Fayre event which had made at least £800 for hall funds. The clerk was asked to check on the water account situation following receipt of a note there was a large credit held by the council.

Concerns were expressed by congestion being caused for people using the hall by the use of two of the three spaces by a local resident. The clerk was asked to write to Mr Bob Muston to point out the space was reserved for hall users.

Coun. Mrs. Elston reported two new activities were due to start in the hall in the New Year. She also said she was attempting to progress the matter of the refurbished kitchen and had arranged to talk to two contractors.

**8] Environment**

The clerk was asked to report a large pothole outside the property at 1 Chapel Side.

Comment was made in respect of work being undertaken on Main Street by Central Networks and the poor state of their reinstatement work. It was agreed to wait until after Christmas to see if the situation improved.

The clerk said he was awaiting a response from the Rushcliffe Borough Council officer Derek Hayden in respect of the safety surface in the play area at the rear of the village hall.

The need for work to clean out the gullies in the centre of the village was raised, with comments being made that there had been some flooding.

Coun. Calnan reported he was in contact with the Borough Council in regard to the Small Funding scheme and said he was hopeful of the project being done in the not too distant future.

It was agreed to authorise payment of the accounts as per the schedule.
