The Food Fair has made a profit of £1300. It was agreed that some recognition be made to Mrs Chris French for all the work she had done for that event.  
A cheque for £3000 was handed over to the clerk by Mrs Elston on behalf of the hall committee.  
The council considered a list of minor works items for the hall and it was agreed to purchase a baby changing table for placing in the disabled toilet, safety plugs were to be used on all power points, a hook was needed to hold the front door open, a new sign was required over the front door of the hall, a new light over the front door was required, and prices were to be obtained for a new notice board outside the hall. The question of provision of hand driers in the toilets was discussed as was the question of car parking arrangements for events when high numbers of people attended.  
It was agreed there should be a follow up on the points raised at the next meeting.  
A discussion took place on the on compliance of hall hirers with the closure time of music and it was agreed an investigation be made as to use of an automatic power cut-off system.

The council discussed the question of the damage being caused to the play area at the rear of the hall by moles but did not decide on any action.

A flowering cherry tree likely to grow to between 4 and 6 metres had been purchased for planting at the rear of the hall in memory of former chairman Phil Harris. Arrangements would be made for the planting and Mrs Harris was to be asked for her views on this.

The clerk was to check with Notts County Council in regard to the replacement tree for the one they had removed from the side of the main street. The original one had been planted to mark the village winning the Notts best kept village competition some years ago.
