It was agreed that to hold the fair again next year but with the committee running their own cake stall, increasing pitch prices to £20 --regardless of need for electricity-- and to serve wine.

The committee currently had £5031 in the bank and it was agreed to hand over £3000 to the Parish Council. It was again agreed to feed back to the Parish Council that the hall committee felt there was a need to have a specific item / action to fundraise for.

It was agreed that the tasks to be undertaken were painting the fascia of the entrance, a new sign for the village hall and hooks at the top of the wall to allow renters to hang decorations from. Suggestions made previously were 2 benches for the play area, outside maintenance, further play equipment – including swings -- and hand driers for the toilets.

The annual Christmas Fair was being held on November 29 and currently there were 10 / 11 stalls confirmed plus the usual tombola, raffle, cake stall, children's games and Tots at the Top.
